## Portfolio

### React.js / Redux / Redux-Saga / Next.js

Role: full-stack developer  
Duration: 2020.06 – 2020.10  
URL: <https://batchdriven.com>

Work: I participated in batch driven platform development.

- build front-end web pages and developed the mobile front-end views
- customizing the google map and add some characters

### Vue.js / Vuex / Vuetify

Role: Frontend developer  
Duration: 2019.01 – 2019.03  
URL: <https://app.gogograndparent.com>

Work: I developed a dashboard for the GoGo service operators.

- built the profile, ride ordering, payment methods, ride credits and scheduled rides pages
- managing product servers and environment, and unit testing
- added some kinds of call services and driver services, and integrated new feature for ordering a food through Ubereats, Grabhub and Doordash

### Laravel / Vue

Role: Lead full-stack developer  
Duration: 2019.07 ~ 2020.06  
URL: <https://blitz.gg>

Work: I participated in improving the origin Blitz app and developing the features of new version.

- specialized LoL Postmatch, Global Search and LoL champion pool
- rebuild the Onboarding pages and Home page
- refactored Sign in/up workflow and Search components
- add Valorant Guides/Headshot Gallery and developed CMS for managing Headshot Gallery
- updated SEO content and Blitz resource iconsto new ones

## Feedback | Client Happiness

### Greg Moeller | GrowthWorks, LLC

"Amazing developer that gets it right the first time. They can do the hard stuff - not just making pretty websites."

### Allen O'Neill, Aonirl

"It was great working with Lendon ! **Lendon** was excellent with the communication. The work is done great and we totally loved working with him. I would highly recommend to anyone who is looking for a great developer to work on their project. It was totally fabulous to work with him."

### Michael Bodekaer | Labster

" Lendon will go above and beyond in ensuring that the development work is completed in a timely manner without comparising on the quality of work. Definitely would recommend him to anyone looking for any Development work!"
